County Taxes To Increase If Board Approves Budget

Board of Trade Approved To Cooperate With Chambers

There definitely will be an increase in county taxes for the coming year if the preliminary budget tentatively approved by the board of supervisors of Nevada County is to be financed.

This was announced yesterday by Supervisor H. G. Loehr of Truckee, who with other members of the board held a lengthy session this week to scan the requests of the various departments.

No definite figure has yet been reached, Loehr said, but the final budget is expected to be completed by arly next month at which time the tax rate can be announced.

The request of Sheriff Wayne Brown for an additional deputy for his department was denied, but deputies were granted an increase in salary from $243 to $310 a month. A full-time matron for the county jail was approved and the board felt this would provide the office with a man who will be freed from jail duties.

The salaries of the judges of the judicial courts were leveled off, and each will now receive $3600 a year, where in the past the judges at Truckee and Nevada City have received only $3000.

County road workers also came in for a small raise and were put on a straight monthly basis, based on a 5-day, 40-hour week. Laborers will receive $275, skilled laborers, $300; equipment operators, $325 and foremen, $350.

The board voted to set up a county board of trade to act as a steering committee in handling county-wide advertising funds in cooperation with chambers of commerce. There will be a five-man committee, one representative from each supervisoral district and $1400 was tentatively budgeted as an initial trial fund for the first year's operation.

Members of this committee will be named by the board of supervisors, probably within the next month.

KINGS BEACH MAN SERIOUSLY HURT IN BRUTAL ATTACK

Leon B. JeBien, 55, Menlo Park, who spends the summers at Kings Beach, is in a critical condition at the Tahoe Forest Hospital following what police described as an unprovoked and mysterious attack by an unknown assailant at Kings Beach Friday morning at 1 o'clock.

An investigation into the brutal beating is being conducted by Constable Richard Lavery and John Shingle of the Placer sheriff's department.

Details as pieced together by the officers were that JeBein returned to his home about 1 a.m. and had just put his car in the garage when he was set upan and severely beaten about the head and face apparently with a lead pipe or similar blunt instrument. Whether or not robbery was the motive was not immediately established.

The victim was beaten about the face so severely that all his teeth were knocked out and his entire head and face were crushed. He managed to crawl into his house where late in the afternoon he was discovered by Julius Gold, a neighbor who had occasion to visit there.

JeBein was rushed to the hospital where blood transfusions were given. Dr. Sidney Kase is attending the victim.

SWIMMER SETS NEW RECORD AT TAHOE

MEEKS BAY—Having completed the 11½-mile swim across Lake Tahoe from here to Glenbrook, 38 year-old Bert Capps of San Francisco is now contemplating swimming the length of the huge lake.

Capps last Friday set a new recor by making the tiring swim in seven and a quarter hours, beating the time set by Bill Long last summer who made the distance in 12 hours.

The swimmer well earned the $500 awards setup by Lake Tahoe resort owners for the achievement.

In the meantime, Glenda Ortlip, 18, San Francisco long distance swimmer, who recently swam the treacherous strait between San Quentin and Richmond, hopes to go after the record at Lake Tahoe some time next month.

SCHOOL BUDGET TO BE HEARD AUGUST 3

The governing board of the Tahoe Truckee Unified School District will meet Tuesday, August 3rd at the high school to conduct a public hearing on the proposed budget for the coming fiscal year. The complete budget may be found on another page of the Sierra Sun today. The meeting will be held at 8 p. m.

Uncontrolled Sale Of Liquor Hit By Leake in Address

TAHOE CITY— The present system of treating alcoholics with "the night stick, the patrol wagon and the jail" is "as antiquated as the horse-and-buggy era and as undesirable as the moonshine whiskey of 1928," Paul Leake, third district member of the state board of equalization, stated here Tuesday.

Speaking at a meeting of the Rotary Club of Tahoe City, Leake termed alcoholics sick people, in need of help. "But the thoughtless masters of the liquor industry are too busy adding up their profits to realize they are committing slow suicide and killing off thousands of decent people in their business."

Alcoholism drains the taxpayer's pocket and is a major cause of crime, Leake stated. He said 60 percent of inmates in state, county and city penitentiaries are there because of drinking, and approximately 50 percent of all local arrests are for drunkeness.

The Woodland newspaperman quoted Richard A. McGee, "our own very able State Director of Corrections," as saying:

"From personal experience with the short-term petty offender, I would estimate that from 80 to 90 percent of them are alcoholics, and it is my belief that no successful approach can be made to their rehabilitation without attacking the problem of alcoholism as a major factor in each case."

According to Leake, McGee also state, "Crimes related to alcohol run the entire gamut from disorderly conduct and vagrancy to murder and treason."

Child Drowned In Tragic Accident At Lake Tahoe

Fall From Pier Is Fatal To Three Year Old At Carnelian Bay

Nita Johnson, who would have been three years old next month, was the victi mof a tragic drowning accident at Carnelian Bay, Lake Tahoe, Tuesday afternoon.

The little girl, daughter of Cullen and Ethel Johnson of 430 Wonder street, Reno, had been playing in the yard and apparently wandered out onto the Lombardi pier, momentarily unnoticed by her mother.

Mrs. Johnson missed the baby and immediately started a frantic search.

The body was found in approximately 18 inches of water and evidence pointed to the fact that in the fall off the pier, she had struck her head. An autopsy later revealed death due to drowning.

N. F. Dolley and Alvah Hooper of the Truckee Colonial Mortuary went to the scene and returned the body to Truckee, yesterday taking it to Reno where funeral services will be held.

The mishap occurred at about 3:55 in the afternoon. Constable Richard Lavery was summoned to assist in the investigation. All efforts to revive the little girl failed.

FIRE ON SUMMIT IS UNDER CONTROL

A dangerous forest fire just south of Soda Springs in the Big Bend District, yesterday was brought under control after it burned over more than ten acres of heavy timber and brush. The wind swept the fire into a rocky area and thus a major conflagration was prevented.

TRUCKEE SCOUTS HONORED AT CAMP

Truckee boys honored at the recent summer camp of Boy Scouts at Camp Pahatsi on Donner Summit, included Allan Young who was awarded his first class badge; Joe Montano, Gerald Pitz, Stanley Stock, second class; Ray Roberts, first aid merit badge; Allan Young, swimming and life saving and Sammy Medford, home repairs merit badge.

Reg Smart was presented his tenderfoot badge by his father, Reg, who was among the leaders attending the session last weekend.

Norden Boy Hurt When Hit By Auto In Reno

Richard Schull, 7-year-old son of Mr. and Mrs. Kirby Schull of Norden, was hurt this week when he apparently ran into the front of a car on North Virginia street in Reno. The driver, Frank K. Watson, 34, of Reno, was not held responsible by the police. Richard was not believed seriously hurt.

Second Bazaar Planned By Tahoe Women's Club

TAHOE CITY—The Women's Club of Tahoe held their summer bazaar and food sale July 24, in the Community Hall in Tahoe City with such success, it has been decided to give another one August 13, at Jack and Dinty's market in Tahoe City.

The Tri-County Summer Conference will be held at the Homewood Resort in Homewood, August 5, and all members of the Women's Club and guests are cordially invited. The conference will begin with a business meeting at 10 in the morning followed by a luncheon at 12:30.

Bishop Noel Porter will be the guest speaker of the day. Reservations should be made either through Mrs. N. R. Mayfield, Tahoe City, or Mrs. A. Dugdale of Edwards Lodge, Tahoma, not later than August 2.

Reported Ill—

Mrs. Hugh Smith is reported to be on the sick list this week.

In Hospital—

Mrs. Lloyd Everett is undergoing treatment in a Reno hospital this week.

Ten Auto Crashes In Area Sent Eight To Local Hospital

A total of at least 10 motor vehicle accidents in this area during the past week sent eight people to the Tahoe Forest Hospital and others suffered minor injuries, the California Highway Patrol reports.

Mrs. Muriel Jones, Newcastle, was treated for minor injuries after her car was forced off the highway near Rainbow Monday morning. The other car did not stop. Patrolman Martin Sturcke made the investigation.

Two major accidents occurred Saturday morning at the Tahoe-Truckee Wye. In the first at 9:15, Mrs. James McKeever, Dayton, Ohio, had a broken back when the car driven by her husband sideswiped one operated by Elmer Hickox, 3, Huntington Park, which had stopped on the highway while the occupants scanned a directional sign. Mrs. McKeever was thrown from the car. Both drivers were cited by Patrolman William Gautsche.

At 11:30 the same morning, Mr. and Mrs. Joel Butler, Richmond, and Mr. and Mrs. Cecil Chasmar, Oakland, were taken to the hospital by Truckee ambulance after a headon collision. Butler was traveling east when the Chasmar car made a left turn to go south. Chasmar was cited by Patrolman Gautsche. Mrs. Chasmar had major injuries.

Earl Leab, a hitchhiker, had a broken arm after cars driven by W. Brown, Sacramento, and Roger Wilson, Reno, collided three miles east of Truckee last Thursday afternoon. Patrolman Gautsche cited Brown for being on the wrong side of the highway.

At about the same time Thursday another car driven by William D. Strause, Vallejo, went off the grade a mile and a half east of here and down a 33-foot embankment. The driver escaped with minor injuries and was cited by Patrolman Carroll Maynard.

Harry Lawton, Reno, suffered an injured eye when his car struck a rock on the highway, five miles east of here Tuesday morning.

Shortly afternoon Tuesday John Haley, Alameda, escaped with minor cuts after his car swerved and hit a bridge four miles east of Truckee. He was cited for being on the wrong side of the road by Patrolman Sturcke.

Cars driven by Allen Catles of Yuba City and Don Johnson, San Francisco, collided on Donner grade at 2:30 p.m. Tuesday. Johnson was cited for being on the wrong side of the road. No one was badly injured.

Other minor mishaps were reported in the Lake Tahoe area:

Gary Braumbaugh, 17, Tahoe City, was hurt and taken to the hospital after a car driven by Richard M. Johnson -16, Berkeley, went out of control at 4 a.m. Sunday and overturned twice. Johnson was cited for speeding and being on the wrong side of the road by Patrolman T. F. Sheehan.

'PHONE EMPLOYES HONORED AT PARTY

Mrs. Ruth Morrison, local service representative for the Pacific Telephone Company, was presented with her 10-year service pin and Mrs. Alice Rau of the same department was tendered a birthday party by fellow employes here Monday afternoon.

The affair was attended by telephone company representatives from Sacramento, Truckee and Tahoe City.

The event was arranged by Manager Howard J. Newsham.

Stamp Collectors To Form Club At Meeting

A meeting will be held in the Wyethia Club on Thursday evening, August 5 at 8 p.m. for collectors who may be interested in forming a stamp club.

All interested persons in the Truckee, Lake Tahoe and Soda Springs district are welcome to attend the initial meeting.

From Bay Area—

Mrs. Harry Stockdale and her niece, Shiela Mae have been visiting the former's son in law and daughter, Mr. and Mrs. Reg Smart and family. They are from the bay area.

No End Of Strike In Sight As Late Negotiations Fail

Another Meeting Slated To Be Held Next Week Over Dispute

Negotiations will be resumed next week in an effort to end the nearly six weeks old lumber and mill workers strike which has idled the Truckee plant of the Stockton Box Company and has keep 100 or more men out of work here.

A meeting in Portland this week resulted in six major lumber firms rejecting offers of the two unions, but agreeing to continue negotiations August 3.

The walkout began June 21 over the unions' demand for a 12½ cent an hour increase in wages.

With the lumber companies charging that the increase is not possible and the unions steadfast in their demand for an increase, the matter has been hopelessly deadlocked.

Spokesmen for both sides believe the August 3 meeting may bring an end to the bickering and arguments, but the six weeks taken fro mthe heart of the production season cannot be regained and the season, particularly here and in other similar areas has been shortened to a major degree.

Paul Leake Discusses Juvenile Delinquency At Lions Club Meet

Paul R. Leake, third district member of the state board of equalization last night addressed a meeting of the Truckee Lions Club at Donner Lake Lodge. Although a candidate at the general election in November, the speaker did not discuss politics but confined his remarks to the problems of liquor and narcotics and their relation to juvenile delinquency.

Earl Stice presided at the meeting and Floyd Carnell was the program chairman.

Mr. and Mrs. Leake are currently vacationing at Homewood Resort.

Joint Meeting Planned For Youth Fellowship

The Methodist Youth Fellowship are planning to spend a night sharing their Fellowship with the high school Fellowship from Kings Beach on Tuesday at 7:30. Rev. A. B. Covher from Kings Beach will provide the leadership on this Sunday evening the Fellowship will be led by Bert Beiler and Nedra Ray. Worship will begin at 6:30.

The Rev. W. Osman continues his series on the church and will speak on "The Book of the Church" at the Sunday morning worship.

Polio Reported At Girls' Camp At Tahoe

An 11-year-old Weed Heights, Nev., girl was stricken with infantile paralysis while attending a Girl Scout camp at Lake Tahoe attended by 92 other California and Nevada girls. The girl, Catherine Winsott, was stricken 10 days ago and was taken to the Washoe Medical Center where her condition is reported good.

Extra precautions were taken at the camp but activities, according to Dr. Daniel J. Hurley, acting health officer for Nevada, will continue as normal except swimming and heavy physical activities will be curtailed.

All the girls and attendants at the camp were inoculated with globulin provided by the health officers of both California and Nevada.

Dogs Destroyed As Fire Razes Small Shed Here

A small shed at Crandall Brothers Hill Top Lodge was destroyed by a fire Monday afternoon at 3:30. The blaze was started, according to Fire Chief N. F. Dolley, from a spark from the nearby sawmill burner. Two sled dogs, belonging to Lloyd Van Sickle were destroyed in the blaze which was fought by the Truckee Volunteer Fire Department and the U. S. Forest Service suppression crews.

School Attendance Jumps 37 Per Cent During Five Years

The average daily attendance of the schools in the Tahoe-Truckee Unified School District has increased from 422 for the 1949-1950 school year to 577 for the 1953-1954 school year. This is an increase of approximately 37 per cent for the five years.

There has been consistent growth throughout the entire district during the past year, with the greatest increase in attendance in the Kings Beach and Truckee Elementary Schools, and an overall increase of 13.5 per cent over the average daily attendance for the 1952-1953 school year.

The following table gives the actual average daily attendance figures for the first five years of the Tahoe-Truckee Unified School District.

DONNER TRAIL

1949-50, 31; 1950-51, 39; 1951-52, 25; 1952-53, 18; 1953-54, 22.

KINGS BEACH

1949-50, 69; 1950-51, 71; 1951-52, 61; 1952-53, 55; 1953-54, 72.

TAHOE LAKE

1949-50, 83; 1950-51, 76; 1951-52, 72; 1952-53, 66; 1953-54, 75.

TRUCKEE

1949-50, 153; 1950-51, 187; 1951-52, 187; 1952-53, 177; 1953,54, 202.

HIGH SCHOOL

1949-50, 86; 1950-51, 81; 1951-52, 178; 1952-53, 192; 1953-54, 206.

TOTAL ALL SCHOOLS

1949-50, 422; 1950-51, 454; 1951-52, 523; 1952-53, 508; 1953-54, 577.

The elementary school figures for 1949-50 ano 1950-1951 include attendance in grades one through eight, while the figures for the three succeeding years are for kindergarten through six. Consequently the high school data for the 1949-1950 and 1950-1951 school years are for grades nine through twelve, and the last three years attendance figures are for grades seven through twelve.

More Catchable Trout Are Planted In Local Streams During Week

Planting of catchable sized rainbow trout continued in this area Tuesday as department of fish and game crews added 14,000 to the already well-stocked Truckee river between Truckee and Lake Tahoe. Another 1600 were placed in Prosser Creek.

Charles Osburn, president of the Truckee Outdoor Sportsmen, said the plantings are due to continue for the next few weeks.

Utility District To Oppose Proposed Donner Water Co.

Local Manager Will Offer Objections To New Water System

The Truckee Public Utility District will enter a strong protest at the Public Utilities Commission hearing next Thursday when the Donner Lake Utility Company, a California corporation, will seek a "certificate of public convenience and necessity" to establish rates and issue shares of common stock for the corporation established to set up a water system.

C. Edmunds, manager of the TPUD, said the protect will be based upon a number of cases, but primarily because the proposed new company plans to operate within the boundaries of the district.

The hearing has been set for 9:30 a.m., August 5 at Donner Lake Lodge. Engineers and attorneys for the district, will present the district's protest.

The local manager also pointed out that for the past year the utility district directors have been attempting to negotiate with the Donner Lake Development Company, said to be the parent company of the utility company, for a price on the latter's current facilities, including springs, wells and a distributing system.

Edmunds said the district has hesitated to start condemnation proceeding because of a hoped-for agreement which, he said, would save the consumers and taxpayers of the affected district a considerable sum of money.

The map describing the proposed location of the new system, Edmunds, said, designated only the east end of the lake district where the parent company has been delayed in opening new subdivisions because of the lack of water facilities as required by the state real estate commission. No plans, he added are made to improve facilities at the west end of the lake.

Last year the Donner Lake Improvement Association petitioned the district to provide an adequate water system and since that time, Edmunds said, a number of plans have been made to make that possible. These plans include financing by general obligation bonds, water revenue bonds or establishment of an assessment district.

Bernard White of Sacramento, currently is making a survey of the entire lake for a report to the district.

ENGLE BLOCKS MOVE ON WASHOE PROJECT

Representative Clair Engle in a telephone message from Washington today, announced that he and Senator Thomas Kuchel have been successful in blocking passage of Senator Pat McCarran's bill to get authorization for the $46,000,000 proposed Washoe project through a flood control measure.

The lawmakers of California pointed out that the bill should be handled by the committee on irrigation, since the flood control feature accounts for only about $6,000,000 of the total.

Details of the controversy will be announced by Engle later.

Local interests are opposing the major project as it affects the Stampede project.

Father O'Neill Thanks Benefit Dinner Patrons

Father P. J. O'Neill today expressed the thanks of the local Catholic Parish for the response from the public which made the benefit dinners Sunday evening at Cal-Vada, Cal-Neva and North Shore Club such an outstanding success. He said he regretted the apparent confusion at times but pointed out that this was beyond his control, since a mix up in reservation caused the delay. He thanks those who were so patient while waiting for tables.

JOHN LLOYD GETS STATE PROMOTION

John Lloyd, senior highway foreman of the California Division of Highways in this district has been promoted to road assistant to the maintenance engineer at San Bernardino.

Lloyd, who began his work as a laborer in 1931 has steadily received promotions and will have a large territory under his supervision in the higher position.

SUMMIT SCENE

by FRAN COUILLARD

Well, we'll start our scouting with scouting stories which will amaze you—as they amazed me. We get our scoop from Sherman Reams who is Big Bend Ranger Station's Service and Fire Patrolman. Says Sherm', "You wouldn't believe it but we have over 1100 young people in the Tahoe Forest area." From our Post Office window we can tell how many youngsters are served by tried and true Camp Pahatsi which is pulsing with young life as we write—about loo of them. From Marysville and the Butte area come boys and girls alike to scatter around in the Bear Valley Y Camp (about 90), the Sterling Lake and Meadow Camp areas (305), Camp Timber Tarn resounds to the jubilant voices of the Woodland-Yolo Girl Scout group (105) while Camp Bearpaw enfolds a Sacramento group of Girls Scouts—about the same number. Ducker Lake is another that is made glad by girl voices. The Marin Boy Scouts take over Chubb Lake. A group new to our area is the St. George Pathfinder group from San Francisco and Peninsula headed by Victor Selwanovsky—these are Cubs of the Greek and Russian Orthodox church groups and are real little ones. Eighteen boys and 38 little girls learn camping on the shores of beautiful Ice Lakes. St. George's group are not the only group representing the church either. At Folda Flat about 97 Seven Day Adventists enjoy the clear cool air of the Sierra whilst Woodchuck Flat lists to the hymns of the Latter Day Saints ,another hundred strong. Not to be outdone 100 4-H'ers swell the huge quota in the Big Bend District—also Woodchuck Flat campers. This latter program for the4-H group we perused and will say that it was well in order with a program starting at 6 a.m. and closing at bed time which (says their program) is 10 p.m.

Sherm' tells us that at the present time there are also around 400 campers in the various camp grounds in our forest.

Needless to say that Sherman Reams is a busy man on his patroling route, and he takes time out to give talks to the various groups, his subject being "The Use and Composition of Fire," We'd say Sherm' is about the busiest guy in the Tahoe National Forest at the present time doing a good job in his "portable city."

Noted on the Beacon Hill Lodge calendar a banquet scheduled for August 4, under the heading of "Northern California and Nevada Ski Tow Operators Association." This being a new organization to us we got "nosey" and found out that Milton Hogle organized the group which is composed of operators from Slide Mountain, Mount Rose, Squaw Valley, Sugar Bowl, Donner Ski Ranch, Soda Springs Ski Corporation, and Dodge Ridge. Organizer Milt' was elected president of the group. Says he, "Look for about 25 or 30 at the banquet."

In the meanwhile Elmo Moriano, Beacon Hill's boss, takes off for San Francisco with Bill Rutherford and Chuck Reynolds—the latter two from Donner Summit Lodge—for a good time at the Legion show in the Bay City.

Company, company and more company swells the population of Soda Springs these warm (hot in the valley) weekends. Barbara Zorich entertains a house full of relatives and friends from hither and you. The Dr. Ralph Reynolds' pine railed porch has guests parked on said rails—with barely an inch between them. The Jim Brennans of Kingvale entertain on the sloping lawns of Red Fir Lodge as they draw in the cool air of Kingvale, and exhale the hot air of the valley. Eleanor and Johnny Johansen see old friends from San Francisco, whilst the Hackshack expands to take care of brother Willy and family and relatives.

We're happy to welcome the Chuck Merica family to Soda Springs—who have just moved in the Beach house. Carmel Merica with their four little boys—draws a sigh of relief as she gets the last curtain to the windows, and takes the kids for a ride. Chuck, with the highway department, expects to be a permanent resident.

Goldie and Ralph Rowton have a happy weekend with Goldie's sister—Ruth Gardner.

The cars continue to roll out to the Cedars and groups of workmen made us learn that the original Soda Springs mansion erected by Mark Hopkins is undergoing careful remodeling—so as not to disturb any antique or historical point preserved carefully by its present proud owner, Allen Chickering. Ditto the George and Guy Foulks estates in the same boundaries of of the extensive Cedars properties.

The busy Homer Bales of Kingvale take time out on weekends to entertain family members. Homer—the "custodian" of Kingvale is pulled this way and that as his handy work jobs increase.

A recent trip from Soda Springs to Westwood and Susanville brought us as close as we ever care to get, to the recent outbreak of forest fires. As trucks of tin hatted men passed us on the way to rigorous fire fighting, we thought of the carelessness of man. Worried faces in Loyalton as the hot breath of the challenged flames breathed at th boundaris of their small city made us put away our package of cigarettes. Sirens in Quincy—fire whistles in Susanville, trucks loaded with supplies for tired fire fighters—took away the anticipated delight of a holiday designed for See California First program. Notched mountains, silhouetted against a sinking sun made red by smoke, belched forth flame like a range of delighted volcanos. Frightened deer made driving perilous as the fleet-footed creatures of our forests ran in bands from the destruction of their cool rendevous. This was our closet view of the devastation of forest fire. We hope that we shall not have to witness it again—nor see the frightened creature—nor choke from billows of smoke that swirled in the low valleys nor see the reddened sky line as the flames leaped gleefully from tree top to tree top.

The two little boys that we entertained for the past 10 days were made happy as we kept a solemn promise that we made to them. Dennis Murphy, 9, and Carl Lyon, 6, were promised a catch of trout. Up in the morning at sun up—they dragged us from a nice warm bed. Sleepy-eyed and coffeeless, we followed them to the river where they dangled their lines until lunch. A rest in the porch swing was interupted in late afternoon as they demanded in no uncertain terms to go afishin'. In order to catch that few extra winks that we have promised ourselves this summer—we took them to Rainbow Trout Farm for some good commercial fishin'. As long as they didn't see us pay the piper—and as long as they caught a fish—we guess everything turned out O.K. However, such a fishin' hole and the answer to a small boy's dream can prove quite embarrassing. We were kind of glad when they went home.

Meet another couple of nice fellows—Hal Zimmerman and Gene Moe who swell the Soda Springs population this summer. With the United States Geological Survey they give us many interesting stories of a project that we knew little about formerly—except in its completed form. The group, which includes Hal and Gene, number about 20 and are topographically mapping that portion of our country in boundaries about approximately so: Ten miles south of Lake Tahoe—five miles east and west of the Lake in the Sky—somewhat north of Loyalton and somewhat north of Sierra City—down through the Donner Pass as far west as Blue Canyon, as far as we can find out. "Can we buy these maps when they're finished," asked we? "Sure," says Hal "for the big price of 20 cents a piece—and there will be about 35 of them. Hal lives in the Misener cabin with puppy Zippy whilst Gene Moe and helpers stays in the Big Bed area in the Lynch cabin.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Out of a blue sky, Bert and Dorothy King heard in a round about way of their son Norman. A clipping from a newspaper was sent them telling of Norman visiting Japan. He is on the USS LST 799. The visit was in keeping with Armed Fores Day celebrations by US military personnel throughout the world. The crew members spent the day showing Japanese civilians around the ship, while at the port of Kagoshima, and were on their way to Korea. The ship is on a peace patrol mission in the Far East. Norman is well known around Kings Beach, having attended high school in Truckee.

Sorry to hear that Mrs. Andy Wickland of Kings Beach has been in St. Mary's Hospital in Reno for nearly two weeks, having undergone a serious operation, but Andy tells me that she is slowly recovering, and hopes to get to her home by this weekend. We sure wish her a very speedy recovery.

This past weekend proved to be one of the biggest of the season. There was not even a crevice in any of the motels or courts to be had. Let's hope it keeps that way till the end of September.

Miss Eva B. Hetherington and her nephew and his wife were visitors at our house this week. Miss Hetherington has been a friend of the family for the past 30 years. She has been manager of the University Club in Pasadena for that number of years.

Mrs. Ella Blake of the golf course, Kings Beach, has as guests this week her son Reece, and daughter-in-law, Erlene, and grandson Ricky, also Mr. and Mrs. Al and Nina Eames, all from El Cerrito. And, by the way, that ankle of Mrs. Blake has been bothering her quite a bit lately but she hopes to do a jig soon. Mrs. Blake is from Richmond.

I hear there is a sign on Highway 40 bringing the attention of people along 89 to Lake Tahoe. Its good for the west also the east. I also hear the men at the quarantine station at Truckee are not too pleased as their view is obstructed.

Beverley Williams is leaving this weekend for Pasadena, where they have sold their home, and will be moving to a new one. Wyman, her husband, is hoping to come back with Beverley. Wee Randy is going to stay with his grandparents. He's so cute, too.

Harry Stubley, the recent bridegroom, is communting between Auburn and the lake these days.

If you can't find your neighbor at home, just take a run up to Joby Lewis' Cal-Vada Lodge they'll be there for sure, the password up there is bingo.

When one man breaks another man's golf club, there's fighting words a brewing. This happened on the Brockway course, the result was one club broken across a knee and one nose punched and a $25 fine in the bargain. What fun!

Bronson Charles Hoge was brought into court on a charge of disturbing the peace, the complaint was signed by Solvig Beavers of Tahoe City pleaded not guilty, but asked for a trial immediately and upon evidence was found guilty, and was fined $25 or 10 days. The fine was paid.

Henry Peck Fields was cited by Roy Crottee, USFS, for throwing a burning cigarette out of a moving car. He was placed on $100 bail. He is from Stockton.

Now getting to sports, El Eames mentioned before, who is staying at the Blake home in Kings Beach is the national champion water skier on the Slalom course, and his wife Nine is top flight skiier in the country. They were both on the lake Monday, giving Jollyn Ashton a few tips. Joe is quite a Skier, too.

Mr. and Mrs. Albert Butler of Riverside, were weeekend visitors of ours. Butler is with the State Board of Equalization, located at Riverside.

RETURNS HOME

TAHOE CITY—Little Theresa Ann Vanni, 11-day-old daughter of the Pete Vannis of Tahoe City, is home now and getting along fine. She was born at St. Mary's Hospital in Reno and started life in an air-lock ,but appears to be gaining steadily now. Her mother, Pat, is still in bed, but is also recuperating satisfactorily.

It's a Million Dollar Ride-and no foolin'

YOU can see for yourself the gay and gorgeous styling that's sure to be the fresh note next year, too.

And you can easily learn that here is power a-plenty—the highest V8 power, Series for Series, in the annals of Buick history.

But what you can never know, till you try it yourself, is the feel of a Buick in motion.

It's a ride as precision-soft and firm as only coiled steel can make it.

Yes, coil springs on all *four* wheels. And a full-length torque-tube drive for true tracking. And a massive X-braced frame for solid steadiness. And specially calibrated shock absorbers, V-braced struts, wide-rim wheels, a unique front-end geometry—plus a host of other betterments too numerous to mention.

You feel the result of this advanced engineering every mile you drive—in what is literally and figuratively a Million Dollar Ride.

You feel it in the superb and buoyant cradling. You feel it in the serene levelness of your going over ruts and ridges. You feel it in the precise snubbing of jars and jounces. You feel it in a new kind of steadiness, handling ease, curve control.

Only thing for you to do, we believe, is to come try this miracle of motion—and we'll be glad to oblige.

That way you'll also learn firsthand about the style, the power, *and the value* that have made Buick such a best-selling success this year. *For Buick today is outselling all other cars in America except two of the so-called "low-price three."*

(Smart tip: With Buick such a beautiful buy *this* year, think what a winner it's bound to be at trade-in time! Come see us this week!)

Thousands See Tahoe Regatta

TAHOE CITY—Several thousand spectators witnessed the Tahoe Yacht Club's annual regatta at Chamber Lodge Sunday. Weather was cool, and several light rain showers visited the area during the races. Dozens of boats lined the racing course, and were parked in the harbor, including the coast guard emergency craft which, fortunately, was not needed as there were no accidents.

The big race of the day, the Lake Tahoe championship, held over three laps, went to Henry J. Kaiser's Scooter, averaging 67.775 mph. It was driven by John V. Regas, welder at Livermore, and this was his frst race and the boat's first competition as a racer, too.

R. Stanley Dollar, Jr., was a close second, only a few lengths behind the winner in his Short Snorter, which somehow, got off to a slow start today.

Roger Murphy, 17-year-old son of the J. Phillip Murphys of Oakland and Sunnyside, came in third in his Galloping Gael.

The 5½ HP and under, was won by Dave Marsten in 7:23; Diane Meek was second in 8:30 and Heide Hickingbotham came in third in 12:20.3.

The 10 HP and under event went to Lewis Marsten in 11:19; Tom Frost came second in 11:21; Louie Hickingbotham third in 11:22.7 and J. Miller last in 11:48.3.

The special unlimited outboard race was taken by Marshall Frost in 12:55.7; Lewis Marsten, second, and Kit Clegg third.

The 130 HP contest went to Piedmont's Alan Steltzner in the Raha; Lowell Merry of Piedmont in No Home taking second and E. V. Lane third in Ruff Stuff; John McWharton of San Francisco, fourth, in Patton Milke; J. W. Miller of Sacramento's Mary Jo, driven by Randy Walker, fifth and Don Blessing's Piedmont, Sherry Bee, last.

The 115 HP and under was taken by Lowell Berry's No Home, Blessing's Sherry Bee, second, Will Miller's Mary Jo driven by Randy Walker, third; Clark Hall's Rainyear, fourth; Toss, driver by Roger Murphy, fifth and Jay Murphy in Muvalong, sixth.

Frank Kraus of Sacramento in Undecided took the 165 HP and under with Berkeley's Paul Scaglon in Pamavi 11, second; Charles Mapes of Reno, third in the Glaria M.

George Besotes took the 225 HP and under in the Besotes; John Fuller's Keating came in second; Charlie Mapes in the Gloria M made third place; Scaglon's Pamavi II came next; Frank Kraus in Undecided placed fifth and Tony Costa of Acampo, in Tee Pee Time Gal came in last.

The 25-foot and longer event, 325 HP, went to Henry J. Kaiser's Lemme Go First, Lowell Barry's Shooting Star, second; E. L. Oliver's Hey Teher V, next and Larry Metcalf's Tecolote last.

The ladies' 225 cubic inch event went to the Tee Pee Time Gal, driven by Mrs. Tony Costa; Mrs. Henry J. Kaiser second in Stardust; Gloria Mapes of Reno, third in Gloria M and Mary Jo Miller in the Mary Jo last.

The 130 HP ladies' event was taken by Barbara Berry of Piedmont in Bimbo; Pat Daly placing second in Al Steltzner's Raha, Sherry Blessing third in the Sherry Bee.

Charles Mapes of Reno took the novelty Bang-And-Go-Back race, entered by 12 boats.

Winner of the Commodore's cup this year was Lowell Berry who captured 10 points, with Charles Mapes placing second in honors with 9 points.

Announcers for today's events were R. Randolph Walker, Brooks Walker and Fred Main.

Clark Hall was regatta committee chairman and J. Carroll Skinner was starter.

At the annual luncheon held on Saturday at Chambers' Lodge dining room J. Philip Murphy of Oakland and Sunnyside, was chosen to succeed George Merriam Lewis as commodore. On January 1, 1955, R. Randolph Walker, 21, son of R. C. Walker of Los Angeles, and Mrs. J. S. Walker of San Francisco, will take over the office of commodore, the youngest member ever to hold such a signal honor. Murphy after the first of the year will serve as vice commodore, Clark Hall will become rear commodore and A. G. Steltzner will assume the duties of port captain. New committee members have not yet been chosen.

Next event will be the water ski carnival to be staged by members of the Tahoe Yacht Club at Chambers' Lodge on Sunday, August 15.

Youth Blinded In Blast At Floriston Is Married

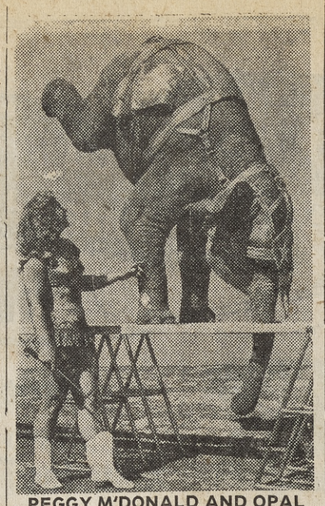
RENO—An Air Force sergeant, blinded three months ago in a survival training accident at Floriston, was married here to the girl who has been at his side offering encouragement during these difficult month.s

An exploding box of dynamite caps last April 14, injured five men participating in a survival training mission near Floriston. Instructor for the mission was 24-year-old S|Sgt. Daniel Sisler of East Aurora, N.Y., who was assigned to Stead Air Force Base near Reno.

Specialists fought to save his sight—but without success—after his eyes were hurt in the explosion.

Since the accident he has had his fiancee beside him, and yesterday the couple was married in Trinity Episcopal Church.

The bride is the former Carol Frances Untiedt, of Chevy Chase, Washington, D. C. She was a secretary to radio network commentator Martin Agronsky.



PEGGY M'DONALD AND OPAL

Opal, whose specialties are walking on her front legs and balancing on one front foot, is star of the Besalou Baby Elephants, to be seen with the Shrine-Polack Bros. Circus, a popular annual event which will attract many residents of this community to Mackay Stadium in Reno on Wednesday, Thursday, Friday and Saturday, August 4-5-6-7.

Afternoon and night performances will be given all four days at 2:15 and 8:15. A special train on the Western Pacific opening day and dozens of buses will bring vast crowds of children from all over western Nevada and eastern California to the matinees.

The average depth of the Malay Sea is 3976 feet.

NEW CHURCH ROAD AT TAHOE CITY NOW COMPLETED

TAHOE CITY—Bishop Noel Porter is most grateful this week to Bert Anderson, Pineland building contractor, who sent his trucks on Saturday last to the Outdoor Chapel property where they graveled and finished the new road just cut through to enlarge parking space at the rear of the chapel, gratis.

On Sunday last at 12:30 (noon) Bishop Porter baptized the nine-month-old son of the Charles Henriksons of Lake Forest, Steven Charles Henrikson. Godparents were Mr. and Mrs. Salvatore Ventimigua, and there to witness the ceremony were Steven' proud grandparents, former Tahoetites, Mr. and Mrs. Joseph Duffee of Sacramento, Mrs. Henrikson's parents.

Bishop Porter announced this week that another group of 65 northern California children are enjoying a 10-day stay at Camp Noel Porter, where Dean of Camps is Rev. Gordon Ashbee of Lakeport, who is also commissioner of Boy Scouts in Lake County. He is assisted by a corps of ladies and gentlemen who chaperon the young people during their stay here. Th 10-day vacation, with the finest meals prepared three times daily by Chef Peter Pearson of St. Helena, costs each youngster only $25. On Saturday a new group of 65 will arrive for a 10-day stay.

GAIL GORDON WILL HEAD REPUBLICANS

Gail Gordon of Nevada City was elected as chairman of the Nevada County Republican Central Committee last week for the 1954-56 term. Gordon is a district union representative and well known here where he frequently visits. Ralph Schorr was named as secretary and Leonard Prisk, Jr., became treasurer of the committee.

In other action the committee adopted a resolution calling on Republican state officials and the Republican State Central Committee to bend every effort to return political power to the county committees where it rightfully belongs and to insure future participation of county committee in the pre-primary campaigns.

Leake Speaks

(Continued from Page 1)

California, the third district board member said, "Drunk driving claimed 768 lives last year—an increase of more than 14 percent over 1952. Of 882 pedestrians killed in traffic, 40 percent were drunk.

"Ever talk to a highway patrolman about these accidents. He's the fellow who picks up the pieces, and he must be tough.

"But he never gets quite tough enough not to be sickened by the bloody mess that a few minutes befor had been living, breathing human beings.

"And all because a drunk was thirsty—and the nearest bar was his goal."

About one-half the cost of administering justice in California may be charged against the misuse of alcohol, Leake said. He added that the rate of alcoholism in California is 50 percent higher than in the nation as a whole.

"Alcoholism costs the taxpayer in terms of wage losses, public welfare costs, arrests and jail sentences, from $120,000,000 to $300,000,000," he said.

Leake issued a warning to "Samish and Company," liquor lobbyists and their employers, that the future of their industry is imperiled if they do not clean house. "It is stupid for the liquor dictators to fight laws which actually would protect their interests," he said.

Urging public support for the newly approved State Alcoholic Rehabilitation Commission, Leake also hammered out an appeal for the passage of the constitutional amendment providing for a new state liquor department, on which Californians will vote next November.

Since he was appointed to the board of equalization in December, 1952, by former Governor Earl Warren, now chief justice of the removal of liquor control from the state board of equalization.

In today's talk he charged that instead of supporting the proposed amendment, "Samish and his stooges are expected to use their plush political chest in efforts to United States, Leake has fought for oust me from the board of equalization."

He repeated his statement, made on previous occasions, that he is accepting no financial assistance from any source in his present campaign to the post he now holds on the board.

"Specs" Johnson, who thinks it's a real treat to spend an hour or so browsing in a bookshop found his idea of heaven up in Centerville last week.

"Just inside the door," Spec says, "there's a tray of bright blue buttons. If you want to look around without having someone suggest you buy the latest best-selling novel, or maybe a history of Africa, you pin a button on your coat lapel.

"You can poke around all you like. Then when you've found the book you want, take off the button, and someone's right there to take care of you."

From where I sit, everybody likes to make his own choice. It doesn't matter whether it's books, or preferences in clothing or makes of cars. And it's no surprise that folks have personal preferences in beverages, too. So if your neighbor orders a glass of beer while you're having coffee, remember he's entitled to his choice, too.

Lake Tahoe Letter

Tahoe City, July 25

Dear Tahoeites:

Orchids to the Tahoe Yacht Club for a fine show, and for the efficient manner in which it was conducted. I have been covering these events for a good many years and am glad to report that each year brings improvements and innovations in the handling of the crowds and the boats. This year spectators parked their cars at the rear of the resort and left the roadway clear along the shoreline for officials and pedestrians. And the crowd on the old pier was not quite as large, so it did not shake quite as badly as in former seasons. This latter problem could still be improved upon, as it was difficult to obtain pictures of the racing craft due to the spectators. All in all though, it was an excellent show, and run off in prompt order.

One of the comical happenings of the day was the furore aroused when it was learned that Miss Gloria Mapes had dropped her valuable stopwatch in the lake. Before they were even asked several young men offered their services to dive for the watch, and proceeded to do so for almost an hour. When they couldn't find any trace of it, Miss Mapes again looked through her pockets, and found it in one she had missed. The boys had a nice swim, even though it was a bit on the chilly side, and the spectators had a good laugh.

I think the story of Henry Kaiser's championship winner, the Scooter, is an interesting one, so am relating it for the benefit of our readers. Seems the Scooter, one of Kaiser's older boats, was a Ventnor rundabout used formerly as a pleasure craft. Last year after the races Bart Carter, Kaiser's plant superintendent (and now mayor of Livermore), had an idea that the boat could be made into a speedy racer. He talked it over with Kaiser and got his permission, and approval, to attempt the task. Assisted by John V. Regas, the boy who successfully drove it to victory today in his very first race, the men hauled the boat away to a warehouse at Pleasanton where during the winter they completely dismantled it and began the job of converting it into a racer. Carter was an old "tug-boat" man and neither he nor Regas had any racing boat experience whatever. They installed a 1750 HP Allison engine, among other things, with the help of other men at the plant who were interested in the project. After months of hard work and determined persistence they finally had their craft ready for a trial spin. Their next problem was finding a nearby water-run to test the boat, but all they could find was a surplus mill pond, small in size and length. So when the boat was finaly launched for a spin the boys had to go round and round in circles in order to gain any speed, and thereby they laerned to maneuver the craft around the curves. which came in handy today as Stan Dollar is an expert in passing his competitors on the turns. The Scooter, revamped as a racer, arrived at Tahoe sometime in June and has been tuning up ever since for the high altitude. Regas ran the racing course at Chambers' only once before the contest, and Dollar was the first one to taxi over in his Short Snorter after his victory to congratulate him; good sport that he is.

Mrs. Alma Guth, president of the Women's Club of Tahoe, today announced that the club's annual bazaar and food sale, held on Saturday in the Tahoe Community Center Hall was a decided success. Mrs. Pearl Snyder was chairman of the bazaar committee and was assisted by Mrs. Louise Geier and Mrs. Ruth Mayfield. Mrs. Gladys Anderson was chairman of the food sale and was assisted by Mrs. Wilma Korich. Mrs. Stella Watson reigned over the white elephant table and sold tickets on the afghan which went to Mrs. Hunt of Tahoe City. Mrs. Anderson reported all food sold out by 11:30 a.m. Hours were from 10 a.m. to 4 p.m. Another food sale is slated by the Women's Club of Tahoe on Friday, August 13, at Jack and Dinty's Grocery store in town, hours from 11 a.m. to 4 p.m. At the last meeting of the club members at Homewood Hotel on July 15, Mrs. Marguerite Webb, Tri County Bible chairman, spoke to the group interestingly on the "Archeology of the Bible." On August 5 the Tri County Summer Conference will be held at Homewood Hotel, with the business meeting starting at 10 a.m. and luncheon at 12:30. Reservations should be made. Bishop Noel Porter will be the guest speaker.

Guests who visited at the James Baker home on Fairway Drive on Sunday included Mrs. Irene Speed of Nevada City and Elwyn Ames of Lincoln. Guests at the Sam Goss home in Lake Forest include Mrs. Bill Johnston of Santa Clara, and Mrs. Al Blum and friend of San Jose. Both are sisters of Mr. Goss. Mr. and Mrs. Bert Scott of Miramar Heights are entertaining as their houseguest this week Mrs. Raymond Snowden of Berkeley. Dr. and Mrs. Clark Burnham entertained some sixty guests at a cocktail party on last Sunday week at their home on the Truckee River. Mrs. Della Goss is recuperating from a badly infected arm which is being treated by Dr. William Henry of Tahoe City. Frances Kirk of Bishop, well known landscape artist, who has summered for a number of years at Lake Tahoe, is again vacationing here at the home of Mrs. Anne Woodland of Tahoe Vista. She has announced that she will welcome visitors to watch her at her work any morning of the week. She plans to capture on canvas the beautiful blue and purple delphinium garden now in bloom in her hostess' yard and will be available for art instruction throughout her vacation here. Mrs. E. B. King of Oakland, who is accompanied by Mrs. Bea Sisk, is again vacationing at the King home in Miramar Heights.

Will ring off the week with a cheery adios to one and all. As ever, SWANEE

SUNDAY SCHOOL PICNIC PLANNED

TAHOE CITY — Mrs. Charles Nielsen of Tahoe City, whose husband is the new superintendent of the highway maintenance station here, today extended an invitation in behalf of the Tahoe City Community Sunday school to the general public, and especially children, to attend the free picnic which will be given on the Tahoe Commons on Sunday, August 8, from 5 to 8 p.m. Games will be held for the children, with prizes for winners and hot dogs and buns, drinks and ice cream will be served free of charge. No swimming will be allowed during the evening.

The Nielsens and children, Dick and Barbara, are former residents of Courtland, a town near Sacramento. They have been entertaining her father, Rudolph M. Marshall of San Luis Obispo and her brother and family, Mr. and Mrs. Robert F. Marshall and daughter of Watsonville. The men folks enjoyed a fishing trip to Buck's Lake, but results of their trek are not yet known.

ENJOYS GOOD LUCK

TAHOE CITY—Albert Stevenson and grandson, Corky Severson, of Sunnyside Lodge have been enjoying unusual luck fishing in Ward Creek during the past few weeks, on a number of occasions coming home with limits of brook trout. Corky, just seven and a half, proved to be just as able a fisherman as his granddad, his nicest trout ranging around 13 inches in length. He also has improved his golf game to such an extent at the Tahoe City Golf course during the past few weeks that he chalked up several pars during play with his granddad. A guest at the Stevenson home for five days last week was Jack Hyland of Beverly Hills.

TAHOE CITY—Guests at George Phillip's Sandy Beach Hotel at North Tahoe last week were Mr. and Mrs. Warner Anderson of San Mateo, and Mrs. Bertha Mawdsley, widow of Capt. George Mawdsley, one of the last skippers to captain the old steamer Tahoe around Lake Tahoe. She is now making her home at the family estate near Westpoint.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of, 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1954," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund, on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

TAHOE CLUB WARNED BY RENO OFFICERS

RENO—District Attorney Jack Streeter disclosed he has warned the operators of Cal-Neva Lodge, Lake Tahoe gambling resort, that unless they cooperate their license will be canceled.

Streeter said he and Sheriff C. W. Young called in for a conference Stanford Adler, Charles Resnick, Leonard Clark and Jack Burke, owners of Cal-Neva, and warned them that unless they and their employes cooperate with sheriff's deputies, action will be taken against their license.

The district attorney stated they also were warned about minors playing slot machines in the casino.

The conference resulted from a report by Sheriff's Deputy Eldon Nelson of a gun waving by casino employes and followed the filing of a $55,000 damage suit in the Washoe District Court against the casino operators by Gal Van Roy, 21, former diceman at Cal-Neva. He charged he was manhandled and threatened with a gun by Resnick.

Resnick denied the charges.

Ruth Osburn Weds John Waller At Ceremony Here Friday Evening

Miss Ruth Osburn repeated nuptial vows with John Waller, Jr., in a 7 p.m. candlelight ceremony performed in the Methodist Church on Friday, July 23 with the Rev. Wesley Osman officiating at the double ring service. Clarence Osburn gave his daughter in marriage.

The bride's gown was of white net and lace and her veil was secured by a juliet cap ,outlined with seed pearls, she carried a small white Bible with orchids.

Miss Marie Osburn, her cousin and maid-of-honor, was attired in a gown of blue with matching hat and the flower trim blended with her bouquet of pink carnations. James Waller of Marysville, brother of the bridegroom, acted as best man. Vicki Firpo had the role of flower girl and was dressed in a pink frock.

The church altar was banked with baskets of white flowers and greenery.

Mrs. George Kamp played the wedding marches and accompanied Victor McLane, the soloist. Ushers were Charles Osburn and Hugh Winand.

The mother of the bride chose a soft pink for her ensemble and Mrs. John Waller, Sr., mother of the benedict wore pink with black and blending accessories.

Three hundred relatives and friends of the popular young couple attended the wedding and reception which was given at the home of Mr. and Mrs. I. Firpo. The newlyweds cut the first piece of the three-tiered cake which was topped by a minature bride and groom. Mrs. Charles Osburn had charge of the bride's book.

Following a brief trip Mr. and Mrs. Waller are at home in the Langille apartment.

Among the out-of-town guests were Mr. and Mrs. John Waller, Sr., and family and Mrs. Lena Schuler, grandmother of Waller, all of Marysville.

Denise Clepper Christened At Episcopal Services

Rev. Max Christensen of Nevada City officiated at the christening of Denise Clepper on Sunday afternoon, July 25, the service was held at the Outdoor Chapel of the Episcopal Church at Tahoe City.

Beside her mother, Mrs. Cecil Clepper, godparents of the little girl who were present were Mrs. Bessie Quick and Don Quick of Covina and Mrs. Lennie Lacoe of Squaw Valley. Other guests included Mrs. Thelma Armel and Susan Glick of Covina, Mr. and Mrs. Lyle Westcoatt and daughters, Judy and Shirley, Mrs. Hal Gilson, Irving Waters, and Charles Fink.

WHAT'S DOING

H. J. Newsham, your Telephone Manager in Truckee

No extra charge for repairs

Your telephone is ruggedly built and doesn't often need repairs. In fact, it's so easy to take care of that about all you have to do to it is dust it once in a while and see that its cords don't get twisted. But if it ever should need fixing, please let an expert from our office do it for you. After all, your telephone is one thing in your home that's repaired and maintained at no extra charge to you. This is one way we protect its usefulness to you . . . to make, and keep, your telephone a real bargain in your family budget. **Pacific Telephone works to make your telephone a bigger value every day.**

Call ahead for reservations

You're off to a good trip when you line up hotel or motel reservations ahead of time. And what better way than by telephone? It only takes a minute or two . . . costs but little. So, when planning weekend vacations . . . or while driving to your overnight stop on longer trips . . . why not call ahead and make sure the rooms you want will be waiting when you get there. You'll be surprised at how little it costs to have the peace of mind that will make your whole trip more fun.

Two easy ways to enjoy even better telephone service

First, when you have a series of calls to make, it's a good idea to take a few minutes out between them, instead of placing one right after the other. By spacing your calls, you'll give other people a chance to get in touch with you. And the calls you receive are often just as important as the ones you make. Second, before making a call, please look up the number if you're doubtful about it. By using your directory, you'll get the right number the first time you call. Saves you time in the long run. **Pacific Telephone.**

STRANGE as it seems — ELSIE HIX ®

DURING THE YEAR 1254 A.D., THE GREATEST PILGRIM CARAVAN IN HISTORY ARRIVED AT THE HOLY CITY OF MECCA... IT CONSISTED OF 120,000 CAMELS AND ABOUT 360,000 TRAVELERS!

A FREIGHT TRAIN ENGINE COMPLETELY *DISAPPEARED* NEAR BOX ELDER, *Kansas.* A WRECKING CREW WORKED TWO MONTHS DIGGING OUT THE FREIGHT CARS BUT THE LOCOMOTIVE WAS NEVER FOUND... IT WAS BELIEVED THAT IT HAD SUNK IN QUICKSAND ... -1878-

A ROMANCE THAT LASTED 50 YEARS! UNTIL HER DEATH IN 1855, JULIETTE DROUET HAD WRITTEN MORE THAN 15,000 LOVE LETTERS TO VICTOR HUGO!

JOHN BUNYAN SUFFERED 12 YEARS IMPRISONMENT BECAUSE HE DARED TO PREACH THE GOSPEL... WHILE BEHIND PRISON BARS, HE STARTED WRITING HIS WELL-KNOWN BOOK, "THE PILGRIM'S PROGRESS" ...

"WOOLY"... AN ENGLISH SHEEP DOG OWNED BY MRS. EDWARD PACKER, *of Maumee, Ohio,* SUPPLIES HER OWNER WITH COATS, MADE FROM HER COMBINGS... WOVEN INTO MATERIAL, IT TAKES 4 YEARS TO COLLECT 5 POUNDS--ENOUGH TO MAKE 4 YARDS OF CLOTH!

THE ORIGINAL BARNUM! POMPEY-- *STAGED HISTORY'S FIRST CIRCUS*-- COMPLETE WITH PARADE, ACROBATS, EQUESTRIANS, 500 LIONS AND 20 ELEPHANTS ... IT PLAYED TO 1,250,000 PEOPLE IN 5 DAYS-- AND WAS *ENTIRELY FREE* ...

THE POLAR BEAR *NEVER REALLY GETS WET*... GLANDS IN THE SKIN KEEP ITS FUR COVERED WITH OIL!
